DAY 2

PRIVATE WALKING TOUR, FREE AFTERNOON AND SEAFOOD DINNER

This morning, we include a private 3-hour walking tour of Bergen including a short ride on the funicular railway up to Mt Fløien. The afternoon is free to explore at your leisure. This evening, you will be transported via boat to Cornelius Seafood Restaurant for an included 5-course dinner before a transfer back via boat. Round trip transfers from/to the hotel to the embarkation point are included.

Discover Bergen: Discover the sights of historic Bergen and enjoy a ride on the funicular to Mt. Fløien from where you can admire the panoramic views of the town from 1050 feet above sea level. Bergen's centre is very compact, with much to see and hear about within a very short walking distance. Stroll around Bryggen, a World Heritage Site, where you will hear of life in times gone by. Hear about life in this area from the founding of Bergen in 1070, through the Middle Ages and World War 2 to the present day. Learn about dried cod fish, Hanseatic merchants, fires, Norwegian resistance fighters and present-day life at the wharf. Then take a short ride on the funicular railway up Mt Fløien. Enjoy great views, weather permitting, from the funicular and at the summit where you can also find a cafe and cashmere goats in summer.

Cornelius is one of the very best seafood restaurants in Norway. In an idyllic fjord-side location on Holmen Island just outside Bergen, you will find one of the most exotic attractions in the whole of Western Norway's archipelago – seafood of the very finest quality prepared using innovative culinary techniques and with delicious trimmings. The Menu is changed daily, depending on what the ocean has to offer. It is based on ingredients inspired by the wind and the weather. The menu is inspired by the raw beauty of the local fjords and offers a delicious variety of seafood from the West Coast which is tailored by chefs based on the weather and what is caught by the local fishermen each day. The dishes are prepared using innovative culinary techniques and with a genuine passion for seafood. On the 5 course Menu, you get to taste shellfish and fish in addition to a seasonal desert.

Today you will check out and meet a local driver for a private transfer to Gudvangen where you will board a fjord cruise to bring you to Flam. This is not simply a museum area, but a lively part of the city where Stockholmers live, work, shop and go to school. The Old Town has narrow alleys and streets with cobbled stones, where your guide will introduce you to interesting historical sites, and tell you the story of how the city of Stockholm was founded and how Stockholmers live today. See the Royal Palace and visit the island of Riddarholmen, passing by Riddarholmen Church, which was built by North Franciscan monks in the 1200s. Stop for a traditional Swedish cinnamon bun at a local bakery, and see old-fashioned hard candy being made at Polkagris Kokeri. You can sample some for yourself and pick up some to take home with you.

Swedish Cookery Class: Nothing says more about a country than its food, and Sweden sure is famous for quite a few dishes. One of them is the dish nearly as famous as IKEA, of course we are talking about the meatballs. In our Private
