Paris, France's capital, is a major European city and a global centre for art, fashion, gastronomy and culture. Its 19th-century cityscape is crisscrossed by wide boulevards and the River Seine. This morning you will make your way to The Louvre Museum where you will meet a local expert English speaking guide who will take you on a private guided 3-hour tour of the museum. The tour will end around 12 noon and you will have time for an optional lunch. Later this afternoon / early evening, we will include tickets to the summit level at The Eiffel Tower.

The Louvre, or the Louvre Museum, is the world's largest art museum and a historic monument in Paris, France. A central landmark of the city, it is located on the Right Bank of the Seine in the city's 1st arrondissement.

Tickets are included to the summit of **The Eiffel Tower**. The tower offers three experiences: With its transparent floor and its new glass balustrades, the 1st floor offers you a brand-new experience and a breath-taking view. Walk on the glass floor, 57m from the ground, and experience the unique sensation of stepping out into the void. On the second floor, treat yourself to some modern French gastronomic cuisine and a unique visual and culinary experience, all in an immaculate and classy setting. Or simply be wowed by Paris and all her splendour with clear views to the Capital's monuments. After a spectacular ascent in glass-walled lifts, you will reach the top of the Tower, 267m up! Explore Gustave Eiffel's office which has been restored to its original condition. With its very life like wax models, the scene depicts the Tower's creator and his daughter Claire welcoming the famous American inventor, Thomas Edison. Among other things you can also see the gramophone which he presents to Gustave Eiffel as a gift. The Tower also represents the magic of light. Its lighting, its sparkling lights, and its beacon shine and inspire dreams every evening.

DAY 3**SMALL GROUP HALF DAY GUIDED TOUR OF THE PALACE OF VERSAILLES**

Make your way to the front of Hotel Pullman in central Paris for this Half Day guided Versailles Tour in a small group (maximum of 15 people). Stretching for more than 721,000 square feet, the Palace of Versailles has over 700 rooms.

Follow your guide straight to the front of the line to tour the palace's most beautiful rooms: the King's Grand Apartments, with seven rooms each dedicated to a different god (Apollo, Mars, Mercy, Venus, etc.), and the Queen's Grand Apartments, mirroring those of the king, including the Coronation Room and the Queen's Bedroom, once occupied by Marie Antoinette. Also, marvel at the majestic "Hall of Mirrors" Versailles, a large reception room in which to see and be seen, dreamt up by the famous architect, Jules Hardouin-Mansart. Almost 240 feet-long, it was created to astonish visitors to the Sun King, Louis XIV; it is lit by 17 windows and some 350 mirrors, and overlooks the palace's breath-taking gardens, the second part of your visit. Avignon, a city in southeastern France's Provence region, is set on the Rhône River. From 1309 to 1377, it was the seat of the Catholic popes. It remained under papal rule until becoming part of France in 1791. This legacy can be seen in the massive Palais des Papes (Popes' Palace) in the city center, which is surrounded by medieval stone ramparts

Private 3-Hour Walking Tour of Avignon. You will meet with a local English-speaking guide for a private 3-hour walking tour of the historical centre of Avignon. Your guide will show you the iconic monuments and the main outlines of its history, in one word the personality of Avignon. You will see the Horloge square, the gardens of the Cathedral, with an incredible view over the St Bénézet Bridge, or the Palace of the Popes square, for example, but also less known locations that are just as charming.

Nice: The winding, narrow alleyways of Nice's Old Town is a highlight. Nothing has really changed much here since the 1700's! Packed with deli's, cafes, boutiques and bars, the centre of the Old Town remains Cours Saleva, a huge market square that bustles in the summer! Fresh produce draws all the foodies to the market stalls, while the colors and fragrance of the fresh flowers will also make the visit worth it. There is also a very lively (and smelly) fish market on St. Francois. Flea Markets are held here every Monday and are a great place to do some souvenir shopping.
